

The many names of God, foretells of His character yet now we can now call Him, Abba Father.

Clicking on the cover picture on the right will redirect you to a two page PDF document. The pages are formatted to be printed out double-sided in landscape mode and then folded in half to be a one page pamphlet having four panels. This two page document can either be downloaded to your computer or directly printed out.

This pamphlet contains approximately 70 names of God starting with the Old Testament names and telling of the Jehovah names, then containing New Testament names of Jesus Christ, and concluding with names speaking of God's Holy Spirit. Much can be learned through studying the biblical names of God. For the Old Testament names reveal God's character and the New Testament names reveal a personal God that we can now call Abba, Father.
